REMODELING SALE.**

# WALKER'S STORE.

**A WONDERFUL  
REBUILDING EVENT.**

**SUCH A HAMMERING AND SAWING—WHAT DOES IT MEAN? SIMPLY THAT THE WALKER STORE HAS OUTGROWN ITS QUARTERS.**

and is adding to its accommodations. A tremendous undertaking is this—to rebuild and enlarge a store without hindering trade in any way. Of course the noise is unpleasant and the carpenters may be in the way sometimes, still the end justifies the means. When completed, the store will present a handsome spectacle. The annex will be enlarged to the same capacity as the main building. The two-story structure will be raised to three. The Carpets and Draperies will be moved down on the main floor, nearly every department in the house will be enlarged.

To offset, in a way, the inconvenience of shopping and the fact that in a short time most of the departments will be moved, we make great price concessions. Countless real "bargains," and we never abuse the word, will be spread before you. Come and participate in a sale significant of the wonderful prosperity of Salt Lake's greatest store.

**A WONDERFUL REBUILDING SALE. A "BUSY ALL THE TIME" SALE.**
